Teachers to Meet Here Sept. 5-6

Moral and Spiritual Values in Education" today was announced as the theme for the Albany Teachers' Institute scheduled September 5 and 6 at Cornell College.

Meetings on the opening day are planned as an orientation program for new teachers, according to William Woolworth, director of instruction, who is in charge of arrangements.

Following a luncheon served at the school by the combined Parents' and Teachers' Association, the afternoon will be devoted to a preview of the curriculum as practiced in the Albany classrooms.

The second day of the Institute is programmed for all school personnel.

Members of the Board of Education, retiring and new presidents of the six PTA's and Dads' Clubs will be special guests at the morning and luncheon session. The main address on "Moral and Spiritual Values in Education" will be given at that time by Dr. John H. Dean, dean of the School of Education at Stanford University.

The luncheon address in the new school cafeteria, which is 200 persons, will be given by Bert E. McKay, director of Field Office for California Teachers' Association. His subject will be "Legislation for Children and Teachers and Public Education in California."

The three afternoon sessions, speakers and topics include the following:

Robert Stewart of San Francisco State College, "Discipline for Children"; Dr. George Sheviakov of Francisco State College, "Mental Health for Children and Teachers"; and Dr. L. J. Quillen of Stanford, "America in the World Today."

A special institute for teachers' adult classes will be held at the High School on Thursday morning.

Albany School Bells to Toll for 3600 Sept. 11

Albany school children today were making the most of the summer vacation for school bells will toll for an estimated 3600 on Tuesday, September 11.

Dr. Paul C. Bryan, superintendent of schools, said that increases are anticipated in all grade levels this fall. He said kindergarten enrollments are expected to reach 350, grades one through seven, 2400, and high school, 850.

Students enrolling in Albany schools for the first time are to register at the school they will attend on Friday, September 7, from 1 to 3. All students who were in attendance last spring in any of the local schools will register on Tuesday, September 11.

Bryan said this not only applies to those returning to the same school, but also to those entering Albany High School from one of the elementary schools—or those entering Cornell or Marin from one of the two primary schools.

Youngsters enrolling in kindergarten for the first time must bring a birth certificate or other proof of age to show that they are at least 4 years, 6 months of age on or before September 1, 1951. For September enrollment, the new State law of 4 years 9 months for kindergarten admission and 5 years 9 months for first grade admission is not effective.

Children will be enrolled in the kindergarten only in the fall of each year. The Board of Education recently abolished mid-year enrollments in kindergarten and first grades.

ABC Members Are Keeping Busy on Benefit Projects

Members of Albany's ABC Chapter of Children's Home Society today are busy working on various benefit projects under direction of the new president, Mrs. Irene Freeman.

Interest of members working on doll clothing was stimulated recently after receiving a sizeable order from I. Magnin's in San Francisco, who plan to feature the original doll creation. Among those working on this project are Mrs. Annabel Denham and Mrs. Bessie Murphy. Many of the originals are designed by Mrs. Polly Terhune.

Not so glamorous but equally important is providing the continued needs of crib blankets and clothing for the Children's Home in Oakland. Assisting on this year-round project are Mrs. Helen McSheehy, Mrs. Freeman and Mrs. Marge Haven.

On a suggestion of the Ellis-Olson Mortuary, the Chapter recently started a new project of making layettes for still-born and premature infants. Many of the dainty, tiny dresses, slips and bonnets have been made by Mrs. Genevieve Douglas, Mrs. Betty Webster and Mrs. Hilda Granholt.

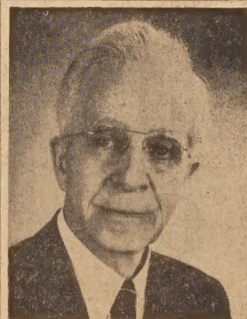

Meanwhile, other members are concentrating on getting articles ready for the beautiful cedar chest to be awarded by the Chapter at the Albany Theatre on November 30.

All proceeds from the various projects benefit the Home for Orphan children.

City Sales Tax Hike Rejected

Council Orders Weeds Removed Along Sidewalks

The City Council Monday night rejected a proposal of Councilman John C. Longaker to call a public hearing and consider the possibility of boosting the city sales tax from the present one-half of one per cent to a flat one per cent.

The plan as outlined by Longaker would double sales tax revenue to some \$80,000 annually, and bring a corresponding decrease of an estimated 30 cents on the present \$1.65 property tax.

Councilmen agreed the plan would broaden the tax load, but Mayor Jerome Blank suggested the Council wait until the end of this fiscal year before taking such action.

Blank and Councilwoman Mrs. Kathie Zahn pointed out that the property tax rate has been set and that it might be expensive to make the change and recompute the tax roles.

City Clerk Myrtle J. McLean estimated that it would take one clerk three or four weeks at a cost of \$300 to \$400, to refigure the tax roles.

Longaker held that the public should be given the chance to "say what it thinks at a public hearing."

"If we raise the sales tax," he said, "then every additional penny we collect in revenue should be returned to reduce the property tax."

Longaker pointed out that Berkeley is considering a similar tax increase.

On a motion of Mrs. Zahn, the Council instructed the City Engineer to post notice of intention to remove weeds adjacent to sidewalks. Councilmen said if owners fail to take action within 10 days after the notice is posted, the city may destroy the weeds and bill the property owners.

The Council heard a new plan for leveling off the top of Albany Hill and filling the tidelands as presented by George Barnhill of Oakland, representing the Industrial Engineering and Development Co.

Barnhill said, "the Government would burden the cost" of such a project while the Navy "probably" would lease the filled tidelands for the duration of the emergency to be used as a marshalling center.

In other business the Council accepted "with regret" the resignation of Leland C. Quillico, assistant health officer, who said that he is accepting a position "with greater opportunity." He was appointed to the post five months ago.

Councilmen Frank Graeber and Raymond Cleary and City Attorney Edward R. Plotner are away on vacations.

Principal speaker for the evening will be Mrs. W. O. Cox, director of the Alameda Youth Center.

Because of the Labor Day holiday, the ATA will hold its next meeting Thursday evening at the Recreation Center. Both teenagers and parents are invited to attend.

High School PTA Charts Fall Program

Mrs. W. L. Cullyer, program chairman and second vice-president of the Albany High School PTA met recently with members of her committee at her home, 503 San Carlos Ave., to discuss the program for the next year.

The following members attended: Mrs. Roland R. Grisham, president; Mrs. Albert Lambert, first vice-president; Mrs. Edward Combs, membership chairman and Mr. Charles Moore, principal of Albany High School.

NANCY AND RICHARD GOMMEL of Albany were among the 50 persons who lost their lives aboard the ill-fated United Air Lines plane which crashed last Friday morning in the southern Alameda County hills a few minutes before landing at Oakland Airport. They perished with their mother, Mrs. Viola Gommel, 30, of 1077 Peralta Ave.—Courtesy Gazette.

OHIO RITES SET FOR MOTHER, 2 CHILDREN, KILLED IN CRASH

Concluding funeral services were tentatively set today in Painesville, Ohio, for Mrs. Viola Gommel, of 1077 Peralta Ave., and her two children, Richard Jr., 7, and Nancy, 4, who perished in the flaming crash of a United Air Lines plane early last Friday morning.

The tragedy, which took the lives of the 44 passengers and six crew members aboard, occurred in the Southern Alameda County hills near Niles only a few minutes before the big ship was scheduled to land at the Oakland Airport.

Waiting at the airport anticipating a happy reunion with his wife and children was Richard Gommel, Albany civic leader and service manager for the Marquette Metal Products Co. in Emeryville.

His wife and children were returning from a two-month vacation in Painesville where they had been visiting with Mrs. Gommel's parents. Gommel had accompanied his family on the air trip east in June when his vacation started. He returned to Albany in July, leaving Mrs. Gommel and the children with her parents in Painesville.

"The plane was due at 6 a.m.," Gommel said. "The last reports I heard from the airline office were that it was on time. When 6 o'clock came and passed I began to get a little worried. Then I overheard somebody say something about a crash. I went to the United Airlines office and one of the attendants told me that Flight No. 615 had crashed in the Southern Alameda County hills."

A memorial service for all three members of the family was conducted from the McNary-Berg Funeral Chapel in Berkeley last Saturday evening, with the Rev. Donald Fleming of Northbrae Methodist Church officiating. Inurnment followed at the California Crematory.

Gommel, president of the Marin Dads' Club and vice-president of the Berkeley-Albany Council of Dads' Clubs, left Monday aboard the City of San Francisco for Painesville where interment rites are planned.

Puppet Show Saturday Benefits Village Nursery School

Paul the Magician will present his magic and puppet show at 10 a.m. Saturday at the Cordornices Community Center under the sponsorship of the Cordornices Village Nursery School, it was announced by Mrs. Beverlee Filloy, chairman.

Proceeds from the 25 cent admissions will be used to extend the nursery program from three to five days a week. The ticket also entitles the holder to participate in a drawing for a wagon donated by the Attie Baby Center.

Tickets are available at a special booth setup in Villa's Market, Gilman and San Pablo Ave., or from the chairman, at LAnd. 6-4299.

Legion Sets Londonside Picnic Sun.

Members of Albany Post No. 202, American Legion and its Auxiliary today were filling their picnic baskets and loading up the family auto for the journey to Londonside in the Valley of the Moon Sunday for the annual picnic.

Legion members and their friends will be the guests of Mr. and Mrs. Frank Knapp at their unique summer resort near Londonside.

Richard McAllister, chairman, has lined up a program of events for all, including a one-legged race between Commander Arthur Carlson and Walter L. Holland.

McAllister said "special attention will be given to the events for children with all the trimmings, such as swimming races, watermelon eating contest, sack races and others."

He said a bathing beauty contest is tentatively set for members of the Auxiliary.

This marks the second year Albany Post has chosen Londonside for its annual outing. The resort is located three-quarters of a mile northwest of Glen Ellen.

Members are urged to invite their friends and neighbors to join in the pilgrimage to the Valley of the Moon.

The Rev. A. O. Odegard has returned from vacation and will be in the pulpit at both the 11 a.m. and 7:30 p.m. services Sunday at the First Baptist Church.

The Rev. Oscar J. Ice, pastor of Christ Lutheran Church in El Cerrito, today has accepted a call as student pastor in the Greater Los Angeles area. His resignation from the church will become effective on October 31, unless a new minister is installed prior to that date.

Rev. Ice's work in the Los Angeles area will be concentrated among Lutheran students at the University of California at Los Angeles, University of Southern California and the Los Angeles City College.

He has been in Chicago and Interlaken, Mich., since August 17 attending meetings on student counseling.

"Fathering the Home," based on Ephesians 6:4 will be the pastor's sermon theme at the 11 a.m. service Sunday. He will present the responsibilities of the father in the home and his role as a spiritual leader.
